

WHY DO WE CARE?

The seniors we care for are mothers, fathers, sisters and brothers. They have spent their lives caring for others and now it is our turn to take care of them so they can live as independently as possible.

We show each senior dignity and respect and can say that we truly make a difference in their lives.

VOLUNTEERING AT KSC

GET INVOLVED. MAKE A DIFFERENCE

KSC is a volunteer-driven organization. And we wouldn't have it any other way! Many times, the volunteer who brings our seniors their meal is the only person they will see that day.

Whether you have special skills, have an infectious smile or just like to talk to others, you are needed by our seniors and by KSC.

YOUR GIFTS & DONATIONS MAKE ALL THE DIFFERENCE

As a non-profit, the services we provide our seniors are funded by grants and donations. While the grants are important, they are never guaranteed to be there year after year. The services that KSC provides our seniors depend on donations from people like you. Every donation, no matter how large or small, makes a difference in the lives of our seniors.

WHO WE ARE

For over 40 years, we have been taking care of the seniors who live in DuPage County through the DuPage Seniors Citizens Council (DSCC). In 2018, we expanded our community to include seniors living in Kane County and started Kane Senior Council (KSC).

KSC is a volunteer-driven and 501(c)(3), not for profit organization. We are a member of Meals on Wheels America and the official Meals on Wheels provider for all of Kane County.

We are proud to be able to support and take care of our seniors when they need it the most!

OUR MISSION AND OUR CULTURE

The Kane Senior Council initiates, delivers, monitors, and coordinates services that promote the ability of older persons to live their lives in dignity.

Our commitment to seniors goes beyond delivering meals. We provide other needed and important services which allow seniors to live safely and independently in their own homes. This can dramatically improve the overall well-being and health of our seniors.
